To Our Valued Partner,

Established in 1989, A.D.O.P.T. Pet Shelter is a private, nonprofit, no-kill animal shelter that provides housing and medical care for homeless animals while waiting for their forever homes. The mission of A.D.O.P.T. Pet Shelter is to place animals into permanent, caring homes and advance the humane treatment of animals through education.

Started by a group of dedicated volunteers in their homes, A.D.O.P.T. now has 30 years of experience working in animal welfare. Our rescue took in and adopted out approximately 650 animals last year. In addition to rescue and adoption, we provide low-cost vaccines and low-cost spay/neuter to other rescues and the general public through our medical clinic. We also host a hospice program and an emergency foster program through which we are further able to serve our community.

Today, A.D.O.P.T. Pet Shelter serves as a gathering place for animal lovers to be able to put their passion into action. We hope that you will join us in our mission to offer the absolute best in animal welfare. We will work our hardest ***until every pet has a home.***

THE FACTS

- Approximately 6.5 million companion animals enter U.S. animal shelters nationwide every year. More than half will not make it out alive.
- Approximately 70,000 dogs and cats are born in the U.S. every day. Only 1 out of every 10 dogs and 1 out of every 12 cats born will find a permanent home.
- In just six years, one un-spayed female dog and her offspring can create 67,000 dogs and one un-spayed female cat and her offspring can produce 420,000 kittens.

WORKING TOWARD A SOLUTION

- A.D.O.P.T. Pet Shelter has placed over 27,000 dogs and cats into permanent and loving homes since its inception in 1989.
- A.D.O.P.T. has spayed and neutered over 14,000 shelter animals since 2009 when we opened our spay/neuter clinic.
- A.D.O.P.T.'s Blessed Bonds and community outreach programs have helped thousands of families and their pets by giving them the support they need to prevent their beloved pet from entering the shelter system.

By joining the fight for fair treatment for all animals, not only are you supporting A.D.O.P.T. Pet Shelter and countless animals, you are also getting your name out into the community as an organization that cares about animal welfare and the needs of pets. By increasing your visibility, you will open yourself up to a whole new group of potential patrons. Individuals that support animal welfare are fiercely loyal to the organizations they support and the businesses that support those organizations.

We invite you to review the enclosed materials that detail opportunities for your business to make a considerable impact in the lives of homeless animals. Thank you for your time and consideration.

We hope that you are able to join A.D.O.P.T. Pet Shelter in their mission to work hard
